

Registration 2019 Youth Summit

I wanted to update you all from our last meeting on April 12th.

We had NEKLS; Markus Vogt and Annie Christoni present about their services and programs they offer, focusing on young adults. They provided handouts as well. -Markus or Annie do either of you have a power point of your services to share to any team members who were not able to make it?

The Youth Summit is occurring at VTC on May 30th. Please see the attached document for all the information.

We discussed the purpose of the Core Transition Meeting; for all professionals working with youth to get together quarterly and discuss their own services they provide as well as services in our community to support the youth we all work with.

I plan to have a presenter at each Core Transition meeting to discuss some topics that everyone has shared as important to them and the youth we are all working with; Trauma, Transportation, Housing, NKHS, NEKCA, and NEKLS services.

Due to this time of year being really busy for all schools and all service providers, we are postponing our next Core Transition Team meeting until September. When I receive an updated school schedule for fall of 2019 I will send everyone a day and time for our next Core Transition Meeting. As of right now it would occur on a Friday from 10:30-12pm.

Also, please forward this email to anyone whom I may have missed and just CC me too, so I can add them to the Core Transition group email.
