Subject: Weekly Email Update - Children's Personal Care Services

Hello,

Just a quick update this week, but still important:

- Our [website](#) has been updated and reorganized.
 - We uploaded 5 new translations of our guidance document and updated the previously translated versions to include the “ARIS Tips” section.
- I won’t always wait until Fridays for these updates, especially if we get a response from the Centers for Medicaid and Medicare around the tax status of the CPCS COVID payments.

We are eagerly monitoring updates around the governor’s phased plan to reopen certain parts of the State. Please check www.healthvermont.gov for guidance as you all see fit.

Happy Friday – Happy early Mother’s Day – thanks for all you’re doing.

Best, Adam
