

We asked a **nurse** to share some secrets and insight into their work life.

You are invited to join the conversation!

Meet professionals.

Ask big [or small] questions.

Learn about career paths.

Get excited!

What will you ask?

How Did You Get There?

Informational Interviewing is a opportunity to investigate a possible career by speaking with a professional in that field.

Join us as we sit down to chat with a nursing professional about their career and how they got there.

With the knowledge you will gain from this conversation, you will have a better sense for how to get to where you want to be!

You will have a chance to ask a nurse what they like/dislike about their job, any surprises or secrets they might share, and more. Don't know what your question might be? We'll have some ready for you if you need them!

Registration is required. [Please complete this form!](#)

Once registered, you will receive an email with Zoom link information. Contact Molly McFaun molly.mcfaun@uvm.edu with any questions or concerns.
