

AWESOMENESS WANTED!

Can you share your advice and experience?

Want to help shape the VocRehab program?

Apply to serve on the Vermont
State Rehabilitation Council!

What is the SRC?

The State Rehabilitation Council partners with VocRehab Vermont to find ways to improve and expand services to Vermonters with disabilities.

Council members include:

- People with disabilities
- Advocates
- The Vermont Client Assistance Program (CAP)
- Representatives from VT businesses
- Community partners
- VocRehab staff

Who are we looking for?

By federal law, most of the council must be Vermonters with disabilities. Members serve for three years at a time and are appointed by the Governor.

What is the time commitment?

The SRC meets four times a year. Members also participate in at least one committee. Council meetings are three hours, and committee meetings are 90 minutes. The meeting schedule and list of committees can be [viewed here](#). You don't need to attend in person but if you do, transportation or mileage is provided. Members also receive a stipend based on the length of the meeting (\$25-\$50).
