

VocRehab Transition Counselor Role Shift

We are very excited to announce a significant shift in our work with high school students and schools statewide beginning Fall 2021!

- Increases Transition Counselor and Youth Employment Specialist capacity
- Students can work with the same VR staff through high school and as they transition into adult life up through the age of 24

Information Session for all interested school staff and community partners:

April 8th, 2021 at 3pm
