

DRAFT ESSENTIAL TRANSITION SERVICES CROSSWALK

Scope of the document: A *very* DRAFT Essential Transition Services Crosswalk - Interagency service providers who are state and/or federally required to serving students who qualify for individualized education plans beginning Grade 7 through the first year following graduation (i.e., 13th grade)

Purpose of the document: So that schools understand and can communicate when interagency partners can provide services to students and what those services are.

- An overview of when service providers [kick in],
- what services they can provide to students
- Links to those providers/services with greater details

Guardrails (appropriate/inappropriate uses):

- Broad overview (stay away from details)
- Focus on students on IEPs Grades 7 - 12 +1
- Reflect the “rule” not the “exception”

Audience (folks working with kids in secondary school age range): Schools and interagency partners

Responsible Entities (not an exhaustive list): Schools (LEA), CTE, Adult Education and Literacy (AEL), VR, DBVI, DOL, DCF, VDH, DDS, VFN, Higher Ed partners
