GOVERNOR'S  
INSTITUTES  
of VERMONT

# 2022 INSTITUTES

## ARTS

**June 26 - July 10**

Amplify your creativity in a supportive community of artists, diving into theater, music, visual art, digital media, and more!

## ASTRONOMY

**July 16 - July 22**

Spend late nights exploring the stars and conducting your own hands-on research into the mysteries of space!

## ENGINEERING

**June 26 - July 2**

Dive into sustainable energy, robotics, and more as you engineer resilient solutions to the world's most pressing problems!

## ENTREPRENEURSHIP: CREATIVITY & INNOVATION

**June 26 - July 1**

Imagine and develop exciting new products and services with the guidance of proven entrepreneurs! College credit available.

## ENVIRONMENTAL SCIENCE & TECH

**July 8 - July 16**

Investigate your local environment, collecting samples to analyze on UVM's campus in this new, hybrid program! College credit available.

## GLOBAL ISSUES & YOUTH ACTION

**June 29 - July 6**

Create change and take action on the biggest issues of our time with people who care as deeply as you do!

## HEALTH & MEDICINE

**June 26 - July 2**

Get hands-on experience and explore medical and health science careers with practicing professionals and medical students!

## MATHEMATICAL SCIENCES

**June 26 - July 1**

Discover theoretical and real-world applications of mathematics as you take on challenges with math-lovers like you!

## TECHNOLOGY & DESIGN

**June 18 - June 26**

Immerse yourself in game creation, graphic design, coding, and more with state-of-the-art technology and expert mentorship!

**APPLY  
MEOW!**

**GIV.org**

This is Westley, GIV's Official Spokescat.

**GIV is affordable for all young Vermonters!**
