Tuesday March 26, 2024 10am-12pm

AGENDA

9:00-10:00am Arrival/Meet and Greet (*in-person only*);
Time for connection with others. Light breakfast/snacks served.

10:00-10:20am Welcome. History and background of D/HH/DB School-Age Subcommittee, NASDSE Guidelines, the Indicator Tool and the Indicator Checklist.

10:20-11:40am Members of the Subcommittee will explain in detail the VT Quality Indicator Checklist and Tool for D/HH/DB Services and demonstrate through a mock educational meeting how the Checklist and Tool can ensure high quality service delivery in IEP/504/EST settings: including direct services, technical assistance and consultation, ASL/bilingual, SLP and Audiology.

11:40am-12:00pm Questions and Answers

12:00pm-1:00pm Lunch (*in-person only*). Socialize and discuss information (bring your own lunch)

BENEFITS

1. Receive resources and printed materials

Receive copies of the Indicator Tool, the Indicator Checklist, 10 Essential Principles of NASDSE Guidelines, and more!

2. Learn best practices in D/HH Education

See what can be done to create improvements and encourage team goals with the child at forefront at every opportunity. Learn how to assess if your child/student's program is congruent with best practice. How can we as parents suggest and support team goals that place our child's needs in the forefront of every discussion?

3. Be a part of change in our state!

By encouraging your teams to use these tools, you become an integral part of the needed change in how we view our childrens'/students' education uniformly, ensuring our programs become enough for all.
