

Connecting Learning in the Community

**Youth Career Pathways Workshops
for HireAbility Vermont**

The Youth Career Pathways Workshops are three 45-minute sessions designed for 9th-12th grade students. All sessions feature opportunities for engagement so participants can help shape the content. This series benefits students at any stage of career exploration. Participants can:

- gain useful information to match personal interests with high-demand, high-growth jobs;
- explore the essential skills needed in the workplace; and
- build the knowledge necessary to understand and plan for a career pathway.
