The background of the left side of the slide features a light green gradient with several brown birds in flight scattered across the upper half. In the bottom left corner, there are stylized green trees of varying heights and shades. At the bottom center, there are grey, rounded rock shapes.

Housing for Homeless Youth

We are a trauma-informed, relationship-centered, belonging-driven ecosystem for youth experiencing homelessness, crisis, and disconnection.

Our work is grounded in consistency, respect, neutrality, clear boundaries, and deep accountability to ourselves, to one another, and to the youth we serve.
